## 1 Summary of Performance

### 1.A Introduction

This Budget Implementation Report for Lagos State is prepared quarterly and issued within Four (4) Weeks from the end of each quarter.

This report includes the Y2025 Original Approved Budget (Appropriation Law), against each organisational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others). The actual expenditures for Q1 attributed to each organisational unit, as well as the cumulative expenditures for the year to date and balances against each of the revenue and expenditure.

It is pertinent to note that this Q1 is assessed against the Y2025 Original Budget.

The core economic classifications, as per the National Chart of Accounts (NCOA) refer to:

- Revenue – Economic Account Type 1
- Personnel Expenditure – Economic Sub-Account Type 21
- Overheads Expenditure - Economic Account Class 2202
- Capital Expenditure - Economic Sub-Account Type 23
- Other Expenditures (covering Loans, Grants and Contributions, Subsidies, Debt Service and Transfer Payments) - Economic Account Classes 2203-2209 as applicable

This report includes detailed reports on Primary Healthcare and Basic Education expenditures, respectively.

This Budget Performance Report is produced by the Ministry of Economic Planning and Budget in collaboration with the State Treasury Office and published on the Lagos State website.

### 1.B Revenue Performance

The 1st Quarter overall cumulative recurrent revenue (i.e. Total Revenue net opening balance and capital receipt) Performance for the Period ended 31st March 2025 was 20% of the Recurrent Revenue estimate of N2.915trn. But 78 % of the estimated first quarter projection of N728.901bn.

The low Aids/Grants performance reported on the Revenue line was largely due to the gestation period of intervention activities and workplan, and the stringent procurement processes of the intervention partners. The cyclical trend of this line is indicative that Aids/Grants inflows perform better in the later part of the year.

### 1.C Recurrent Expenditure Performance

The 1st Quarter performance on the State's Recurrent Expenditure (Debt & Non-Debt) Performance for the Period ended 31st March 2025, closed at N251.212bn (19.4%), representing 77.56% of the projected estimate of N323.907bn for the 1st Quarter 2025.

The above performances of the recurrent expenditures across headlines are reflective of the Public Financial Management Reforms of the State and are attributable to the tight expenditure controls that are put in place to reduce leakages and optimise procurements of consumables through the deepening of the State's procurement process. This is further supported by the provision of required dependencies to MDAs responsible for expenditure management and controls pursuant to effectively delivering their core mandates.

## 1.D Capital Expenditure Performance

In the 1st Quarter of Y2025, the total Capital expenditure performance closed at N271.1 billion, representing 52% of the projected quarter one estimate and 13% of the annual cumulative. As is typical in the budget cycle, capital projects are slower to commence in Q1, leading to a heavier focus on recurrent expenditures during this period which temporarily slowed down infrastructure-related economic activities.

Looking ahead to the 2nd quarter of Y2025, there is anticipation of improved capital expenditure performance. This will enable the state to focus more on infrastructural sustainability. To support this, the administration plans to sustain its revenue generation efforts, attract more private participation, and seek official development assistance to address the infrastructure.

For the Primary Healthcare and Basic Education, the capital expenditures for the period under review stood at 31.8% and 25% respectively. Higher expenditure and effective utilization of resources are expected in these two (2) sectors by Q2.

## 1.E Conclusions

The Y2025 Budget of Sustainability- N3.366 trillion, is strategically crafted to promote continuity, resilience, and shared prosperity for all Lagosians. This Budget prioritizes sustainable infrastructure and environmental stewardship, drives economic diversification, advances social inclusion and human capital development and strengthens governance and institutional reforms. It reflects our unwavering commitment to building a future-ready Lagos—resilient, inclusive, and thriving for generations to come.

The following pointers are highlighted below.

- Total Capital Estimate for the Year is N2.071trn, while Recurrent Projection is N1.295trn representing 62:38 Capital/Recurrent Ratio.
- The Q1 Revenue recorded a quarterly performance of 79%, with a year-to-date performance of 20%
- Q1 Cumulative Recurrent Expenditure recorded a performance of 19% year to date, while the quarterly performance stood at 78% for the period ended 31st March 2025.
- Q1 CAPEX equally recorded an estimated cumulative performance of 13% for the 1st Quarter ended 31st March 2025, while the quarterly Performance stood at 52%.
- Overall Q1 Cumulative Budget performance was 16%, while the Quarterly Budget Performance is 62%.
